

Second Amendment March

April 19, 2010

It's Time Our Voices Are Heard!

The mission of the Second Amendment March is:

- ★ to galvanize the courage and resolve of Americans;
- ★ to petition our elected officials against establishing anti-gun legislation;
- ★ and to remind America that the Second Amendment is necessary to maintain our right to self defense.

It is the one right that protects all others.

We will accomplish our mission by a centralized, peaceful march in Washington D.C., the United States Capitol, supported by satellite marches to State Capitols and smaller cities all across America.
