What's New

Urgent: Input Needed

On Tuesday the Tax Day Tea Party announced their biggest TEA party ever will occur on April 15th, 2010 in Washington DC and all across the country.

Due to the large number of Tea Party Patriots and Nine-Twelve project members among our supporters, we are concerned that this will result in fewer people attending the Second Amendment March on April 19th, 2010.

Your input is valuable to us. In light of this, we would like to know which of our options do you view as being most favorable?

Please use the link below to go to our poll and vote now, or use the poll on our homepage at www.SecondAmendmentMarch.com.

we had previously been stationed for four years- having fallen in love with Alaska then. We own a home, with acreage, in the Matanuska Susitna (Mat-Su) Vally just north of the community of Wasilla- 47 road miles NW of Anchorage. I am semi-retired, but work full-time from April thru September, for Alaska State Forestry combating Wildland Fires. I also serve the Mat-Su Borough as an Advisor for their Disaster Preparedness, specializing in communications capabilities. I began my work for our Second Amendment preservation event this last Spring, after learning of the planned Washington DC celebration event. I am active in our local Chapter of the 912 Project, where I teach the Constitution, and work toward reawakening Conservatives Ideals throughout the Mat-Su Vally."

New Website Launching This Weekend

The revised Second Amendment March website will be launching this weekend, so you may experience some intermittent downtime. We apologize for any inconvenience this may cause, but we will have the new site up and running as quickly as possible.

The new website will provide some new features such as state-specific pages, an RSVP form, charter bus information/contacts, and a host of other tools to help make your site visits more productive.

Our current website is now receiving between 35,000 and 50,000 visitors per week. Thanks for helping us to spread the word!

State Announcements

It takes a substantial amount of money to organize an event like Second Amendment March. Our fundraising advisors have set specific milestones that we need to meet in order to make the march happen. Right now we are VERY short of that goal and need your help! If you can help, please click on the Contribute Now button above to donate via our secured donation page. Thank you!

Our Mission

The mission of the Second Amendment March is to galvanize the courage and resolve of Americans; to petition our elected officials against establishing anti-gun legislation; and to remind America that the Second Amendment is necessary to maintain our right to self defense.

It is the one right that protects all others.

We will accomplish our mission by a centralized, peaceful march in Washington DC, the United States Capitol, supported by satellite marches to State Capitols and other cities all across America.

The County Sheriff: America's Last Hope

Sheriff Mack's newest book covers decades of research to prove once and for all that the sheriffs in this country are indeed the ultimate law authority in their respective jurisdictions. The sheriff absolutely has the power and responsibility to defend his citizens against all enemies, including those from our own Federal Government. History, case law, common law and common sense all show clear evidence that the sheriff is the people's protector in all issues of injustice and is responsible for keeping the peace in all matters. He is the last line of defense for his constituents; he is America's last hope to regain our forgotten freedom. This short but

powerful book is a must read for all citizens, sheriffs, and government officials that we may all work to return America to the constitutional republic she was meant to be. Amazing as it might be, the sheriff can make this happen!
