Second Amendment March to Remain April 19th, 2010

A short while ago we learned that the TEA Party Patriots would be holding a march in Washington DC on April 15th, 2010, 4 days before our own event.

Concerned that this would affect the attendance at our own march, the Board of Directors spent a week gathering information. We were concerned that people would not be able to make two trips to DC because of time and money constraints.

However, we discovered that the TEA party will not be one HUGE event to be held in Washington DC, but rather would be held in hundreds of cities all across the country. That means that many, many people will likely spend April 15th in their home town TEA party and hence would still be able to attend the April 19th Second Amendment March.

Other deciding factors were:

- Many people had already made plans for April 19th by asking time off work and making travel arrangements.
- It became apparent that we would not be able to work out all the logistical headaches involved with changing the date.
- Some of our speakers would not be able to accommodate the change.
- Some of the State Capitol Rallies had already chosen their dates and changing the date of the DC rally would have complicated their efforts.
- Concerns over the lack of availability of lodging if both events were held simultaneously.

Many of you sent us personal emails voicing a variety of opinions and I want to assure you that we appreciate all your input.

So now, let us look to the future and the task at hand. We have a lot of money to raise and a lot of work to do if we are to make the Second Amendment March a huge success! Thanks again, and I'll see you in DC on April 19th, 2010!

All the best!

Our Mission

Virginia State Coordinator Needed

Virginia State Coordinator position will become vacant at the end of the year.

Current VA Coordinator Leyla Myers needs someone in Virginia to step in and take over her responsibilities as the state coordinator, as she will step down from this position at the end of this year.

She will provide you the information you would need to start working on the final phase of the event.

If you feel strong about the 2A as an individual right, and want to help us make the Virginia State March a success, please contact the Board at info@secondamendmentmarch.com.

The mission of the Second Amendment March is to galvanize the courage and resolve of Americans; to petition our elected officials against establishing anti-gun legislation; and to remind America that the Second Amendment is necessary to maintain our right to self defense.

It is the one right that protects all others.

We will accomplish our mission by a centralized, peaceful march in Washington DC, the United States Capitol, supported by satellite marches to State Capitols and other cities all across America.

The County Sheriff: America's Last Hope

Sheriff Mack's newest book covers decades of research to prove once and for all that the sheriffs in this country are indeed the ultimate law authority in their respective jurisdictions. The sheriff absolutely has the power and responsibility to defend his citizens against all enemies, including those from our own Federal Government. History, case law, common law and common sense all show clear evidence that the sheriff is the people's protector in all issues of injustice and is responsible for keeping the peace in all matters. He is the last line of defense for his constituents; he is America's last hope to regain our forgotten freedom. This short but

powerful book is a must read for all citizens, sheriffs, and government officials that we may all work to return America to the constitutional republic she was meant to be. Amazing as it might be, the sheriff can make this happen!
