What's New

Second Amendment March needs your help!

We have less than eight months until our D.C. event, and there is much to accomplish before then.

Many hands make light work, so we are forming committees to take on specific tasks. The descriptions are provided below.

If you are willing and able to serve on one of these committees, please send an email to Terri.Stocke@secondamendmentmarch.com with the following information:

Full Name
Email address
Phone number
Committee you are volunteering for
Information on your background / experience that would make you a good fit for this committee

We regret that these are all unpaid, volunteer positions (as is the case with all of our staff, coordinators and directors). While we cannot offer you compensation, we can offer you the opportunity to make history!

"If you will not fight for the right when you can easily win without bloodshed, if you will not fight when your victory will be sure and not so costly, you may come to the moment when you will have to fight with all the odds against you and only a precarious chance for survival. There may be a worse case. You may have to fight when there is no chance of victory, because it is better to perish than to live as slaves." ~ Winston Churchill
