#### Our Mission

Targets so realistic you better shoot 'em before they get away!

www.ZombieOutfitters.net

The mission of the Second Amendment March is to galvanize the courage and resolve of Americans; to petition our elected officials against establishing anti-gun legislation; and to remind America that the Second Amendment is necessary to maintain our right to self defense. It is the one right that protects all others. We will accomplish our mission by a centralized, peaceful march in Washington DC, the United States Capitol, supported by satellite marches to State Capitols and other cities all across America.
