Did You Know?

It takes a substantial amount of money to organize an event like Second Amendment March. Our fundraising advisors have set specific milestones that we need to meet in order to make the march happen. Right now we are VERY short of that goal and need your help! If you can help, please click on the **Contribute Now** button above to donate via our secured donation page. Thank you!

Our Mission

Targets so realistic you better shoot 'em before they get away!

www.ZombieOutfitters.net

The mission of the Second Amendment March is to galvanize the courage and resolve of Americans; to petition our elected officials against establishing anti-gun legislation; and to remind America that the Second Amendment is necessary to maintain our right to self defense. It is the one right that protects all others. We will accomplish our mission by a centralized, peaceful march in Washington DC, the United States Capitol, supported by satellite marches to State Capitols and other cities all across America.

Lessons from Armed America

True stories of men and women who defended themselves and their families!

Written by Kathy Jackson and Mark Walters

Don't rely on others to protect yourself and your loved ones. "Lessons from Armed America" is the essential primer for self defense. Kathy and Mark are the experts that answer all your questions on stalking, real-life firefights, prevention and awareness, as well as carjacking and use of nonlethal force. They tell it like it is with candor and compassion, speaking through both experience and well-thought-out-research. If you're serious about protecting your family, this is the one book you MUST read!
