

# IT IS THE ONE RIGHT THAT PROTECTS ALL OTHERS.

## To the U.S. Congress:

The Second Amendment of the U.S. Constitution states, "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."

The mission of the Second Amendment March is to galvanize the courage and resolve of Americans; to petition our elected officials against establishing anti-gun legislation; and to remind America that the Second Amendment is necessary to maintain our right to self defense.

The undersigned citizens of the United States of America, therefore urge you to refrain from passing any bill that restricts or infringes upon the people's right to own and carry arms, the right for self-defense, or in any way restrict availability of ammunition, and further urge you to repeal any such laws currently in effect.
